Re:

Exemption from Compliance with Children's Television & Closed Captioning Programming

Laws - 1st Quarter (January 1, 2018 to March 31, 2018)

Dear Ms. Browne:

We are writing in response to your previous request to certify compliance from Capital District Regional Off-Track Betting Corporation (Capital OTB) with the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 and the Federal Communications Commission rules implementing these Acts.

Background

Capital OTB Network can be seen in the Capital Region on Time Warner's Cable Channel 8.2/1250. The network displays live horseracing and race replays as well as horseracing related information and programming. This programming can be seen virtually 24 hours a day, seven days per week. The Capital OTB Network is exempt from the requirements of the Children's Television Act of 1990 and the Closed-Captioning requirements of the Telecommunications Act of 1996.

Exemption from requirements of the Children's Television Act of 1990

On April 9, 2007 a representative of the Federal Communications Commission confirmed to a Capital OTB representative that cable networks are not required to air children's programming. Therefore Capital OTB is exempt from airing programming in response to the Children's Television Act of 1990.

Exemption from Closed-Captioning requirements of the Telecommunications Act of 1996 Capital OTB also maintains that we are exempt from providing closed-captioning per Section 79.1(d) (12) of the Federal Communications Commission's rules of Exemptions from Closed Captioning, which states the following:

Channels producing revenues of under \$3,000,000. No video programming provider shall be required to expend any money to caption any channel of video programming producing annual gross revenues of less than \$3,000,000 during the previous calendar year other than the obligation to pass through video programming already captioned when received pursuant to paragraph (c) of this section.

Capital OTB defines gross revenue as monies generated from commercial advertisements appearing on Capital OTB Network. Under this enclosed definition, Capital OTB Network produces annual gross revenues well under \$3,000,000. Based upon the above rule and criteria the Capital OTB TV Network is exempt from providing Closed Captioning.

Please accept this letter as Capital OTB Network's exemption from the Children's Television Act of 1990 and the closed captioning requirements of the Telecommunications Act of 1996 for the 1st Quarter (January 1, 2018 – March 31, 2018). A similar letter of exemption will be filed upon request for each quarter of the calendar year.

Sincerely,

Robert J. Dantz

This is to certify that the list set forth below identifies all programs and series aired by GMA Life TV during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Closed Captioned Programming - 1st Quarter, 2018

Ladies & Gentlemen:

You have recently requested information from us to assist you in your record keeping obligations respecting (i) the commercial limitations imposed on children's programming by the Children's Television Act and (ii) the closed captioning requirements set forth in Section 79.1 of Title 47 of the Code of Federal Regulations. We trust that this satisfies your request.

Dear Affiliate:

In response to your recent request, this is to certify that QVC, Inc. ("QVC"), during the calendar quarter ending March 31, 2018:

- provided closed captioning services on its QVC, QVC2 and Beauty iQ services delivered to you in compliance with the applicable closed captioning regulations of the Federal Communications Commission ("FCC"); and
- had no programs originally produced or broadcast primarily for an audience of children l2 years old and under. Accordingly, none of QVC's programming during such quarter constituted "children's programming" as defined by Section 76.225 or 73.670, as applicable, of the FCC's rules, and, therefore, none was subject to the commercialization limits imposed on children's programming (see 47 C.F.R., Section 76.225 or 73.670, as applicable). To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

Please be advised that because the CALM Act certification and the certification for adherence to the closed captioning quality "Best Practices" for Video Programmers (47 C.F.R. § 79.1(k)(1)) are required to be "widely available" in accordance with FCC rules, we have posted those certifications on the website of our subsidiary, Affiliate Distribution & Mktg., Inc. Accordingly, you may find our CALM Act and closed captioning quality certifications at http://www.adm.qvc.com/forms.html.
